

Leadership Workshop

Keeping the Best!

Keeping good personnel is more and more difficult. This two session program (four hours each) will show current and future Fire and Rescue leaders how to use retention principles especially within companies experiencing change and growth. Both sessions are filled with practical ideas and resources for retaining our volunteers.

Facilitator will be Sara Gaba, co-author of the "Keeping the Best!" series.

2 Session series offered at 2 locations for your convenience.
